Upcoming Events

Wednesday, March 19th
Mass @ 8:15 - First Grade leads
Friday, March 21st
Fish Fry 5:00 - 7:00

February Virtuous Students

Tuesday, March 4 marked the day for recognizing the February Virtuous students of the month and those students who earned a golden rule for their generous acts of kindness. Baron Kimble (2nd), Logan Smith (5th) and Amelia Tritt (5th), were recognized as the Virtuous Students of the Month. Grand Knight, John Songco, presented each with a certificate and a rosary.

Classroom News.....

Leader in Me

Synergize was the February habit of the month for Leader in Me. Students who have mastered this habit understand there is no "I" in team. They are able to work well in groups, making sure to listen to and value the opinions and ideas of others. They understand that more is accomplished when we work as a

team. Students recognized include: Ada Jenkins (PK), Harper Dendinger (K), Oliver Vath (1st), Anita Garcia (2nd), Sarah Awadallah (3rd), Ryker Dendinger (4th) and Courtni Schaff (5th).

Fish Fry

The first Lenten Fish Fry was hosted by the St. Agnes Fryers on Friday, March 7. A good crowd enjoyed the meal of fish, cheese pizza, coleslaw, tater tots and a cookie. Shrimp is also available. Proceeds from the fish fries benefit St. Agnes School so we invite everyone to support the Knights and the school by attending the next event which will be held on March 21st. Thanks to the fryers for their good works and their continuous support of the school.

Quarterly Awards

March 6 marked the end of the 3rd quarter. The quarterly awards ceremony was held on Monday, March 10th. Students in PK-5th grade were recognized for their academic achievements and quality character in the 3rd quarter. Special awards included: music, library and PE students of the quarter, Improvement, and good conduct awards. Congratulations to all our students for their hard work in quarter 3.

The end of the year will be upon us before we know it. Keep up the great work!

What's Happening at St. Agnes School.....

Fifth Grade Class By Rob Polk

Spring is near and 5th grade is anxiously awaiting the exciting things happening in the 4th quarter, including a visit from their 6th grade counselor and a visitation night and tour to the middle school. It is hard to believe that these students are nearing the end of their time at St. Agnes School.

While the end of the year brings about lots of fun events like the kickball tournament, our class sneak, spring concert and more, it also means lots of lasts for these students. We recently celebrated our last Valentine's Day party with some pickleball play, our final Mardi Gras celebration, and our last Penny Carnival. These beloved events have brought about so many memories for these kids.

While enjoying all the fun final events, we are still working hard in the classroom so we are prepared to be sharp in 6th grade. Math has had us busy dividing with remainders, while in science we just began a unit on human's impact on earth's systems. We are super excited to start a project to research, design and build a pet toy using only recycled materials. In ELA, we are using a new program, We Will Write, to sharpen both our writing and typing skills. We completed our Family Life book in religion and will return to our Blest Are We book for the remainder of the year.

Wishing you a happy spring from 5th grade.

Library Room News By Lana Payne

The month of March is marching along! We're looking forward to transitioning into spring, and already enjoying the evening light that comes with Daylight Savings Time. The library has many areas of focus this month. March is National Women's History Month, declared by Congress in 1987 in perpetuity. During March the library will feature important women in our history: women of faith and courage, women of the arts, of humanities, of science, of sports, defenders of our country both in arms and service, educators, caretakers, and MOTHERS!

The month began with the week of Read Across America, birthdays of Dr. Seuss (March 2) and Dog Man author Dav Pilkey (March 4). Upcoming events include Pi Day (March 14 or 3.14), St. Patrick's Day (March 17), World Poetry Day (March 21), Tolkien Reading Day (March 25), and get out your crayons, paper, and coloring books for National Crayon Day (March 31)! The library is a fun and happening place in March!

March also marks the annual St. Agnes Used Book Sale. It took place in the Learning Center on March 10-13. Students had the opportunity to shop the sale on their Library days. All books were 10 cents each. What a bargain! The book sale was also open after school and during Parent/Teacher Conferences. We hope you had a chance to come and browse the sale and take home some treasures. We appreciate your generous donations of used books for the sale! Please continue to send your used book donations throughout the year.

Students continue working hard on their Reading Incentive goals and projects. We have enjoyed having students' Reading Projects on display in the library throughout the school year. Thank you for supporting and encouraging your child's love of reading!

Music Room News By Cori Taedter

We have certainly been the busiest of bees this quarter, and the St. Agnes music room is buzzing with excitement! We have been rehearsing and making preparations for our spring music program, "Unselfie," which will be presented on Thursday, April 3rd, at 6:30 p.m. in the school gym.

With a constant barrage of selfies, Tweets, and Snaps, it's easy to get caught up in today's self-absorbed culture. This changes for a group of kids when they learn of a brand-new app called "Unselfie." The app lets you take pictures of yourself, but only allows you to post if the motive behind it is unselfish. St. Agnes students are on an adventure where they learn the importance of being unselfish in today's selfie world by sharing the transforming love of Christ. Studying and learning this music has certainly brought pure joy into our music room, and we are looking forward to sharing that joy in a few weeks.

As you can see from the 4th and 5th grade smiles, a highlight in our classroom is the experience of learning various instruments, and these students are having a great time learning notes, scales, chords, and putting put their knowledge into practice – we are so very blessed!
